

On the left:

- Cut paper for the background
- Cut paper for bag, punch on top
- Cut 3 papers in different sizes, add
- Add „No 1“
- Decorate with stamps, dots, dashes
- distress

On the right:

- Add elements behind photo
- Add patterned paper on the bottom
- Decorate with dots, stamps, handwritten journaling and watercolors
- Add title and photo

On the left:

- Cut paper for the background
- Add more paper, tag and deco elements behind photo
- Add „2“ and title
- Decorate with handmade embellishment, writing and stamping

On the right:

- Use stencil from die cut package to create the title „No. 2“ as seen in video
- Use watercolors to create the shadow
- Add spray or drawn dots

On the left:

- Add elements behind photo
- Add patterned papers on the bottom
- Decorate with dots, dashes, stamps, handwritten journaling and drawn arrows
- Add title and photo

On the right:

- Cut paper for background
- Cut 3 smaller papers and adhere on background paper
- Stitch onto the paper layer and adhere on album page
- Create title and add „No 3“, decorate

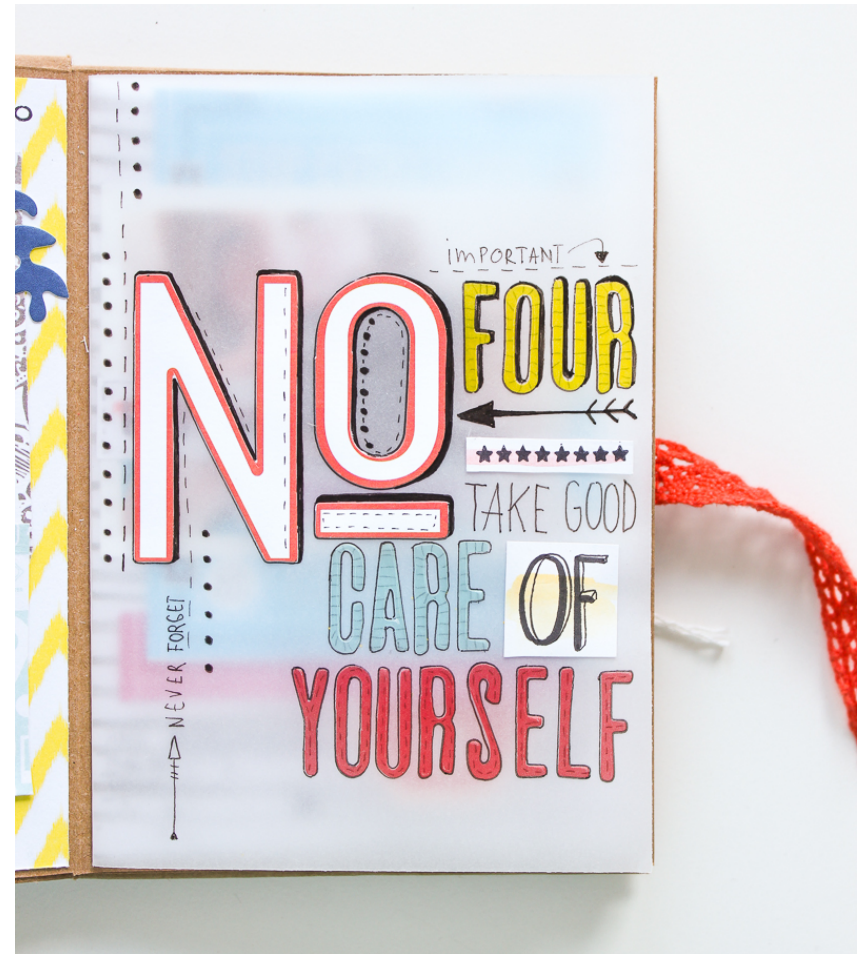

## Page 4 – first flap

On the left:

- Cut paper for background
- Cut 4 smaller papers and adhere on background paper
- Stitch onto the paper layer and adhere to album page
- Create title and decorate

On the right:

- Add „No“ to the vellum, adhere with doublesided adhesive
- Stamp + write on white cardstock, add watercolor and cut out, add to page
- Add sticker alphas and decorate with black waterproof marker

## page behind vellum flap

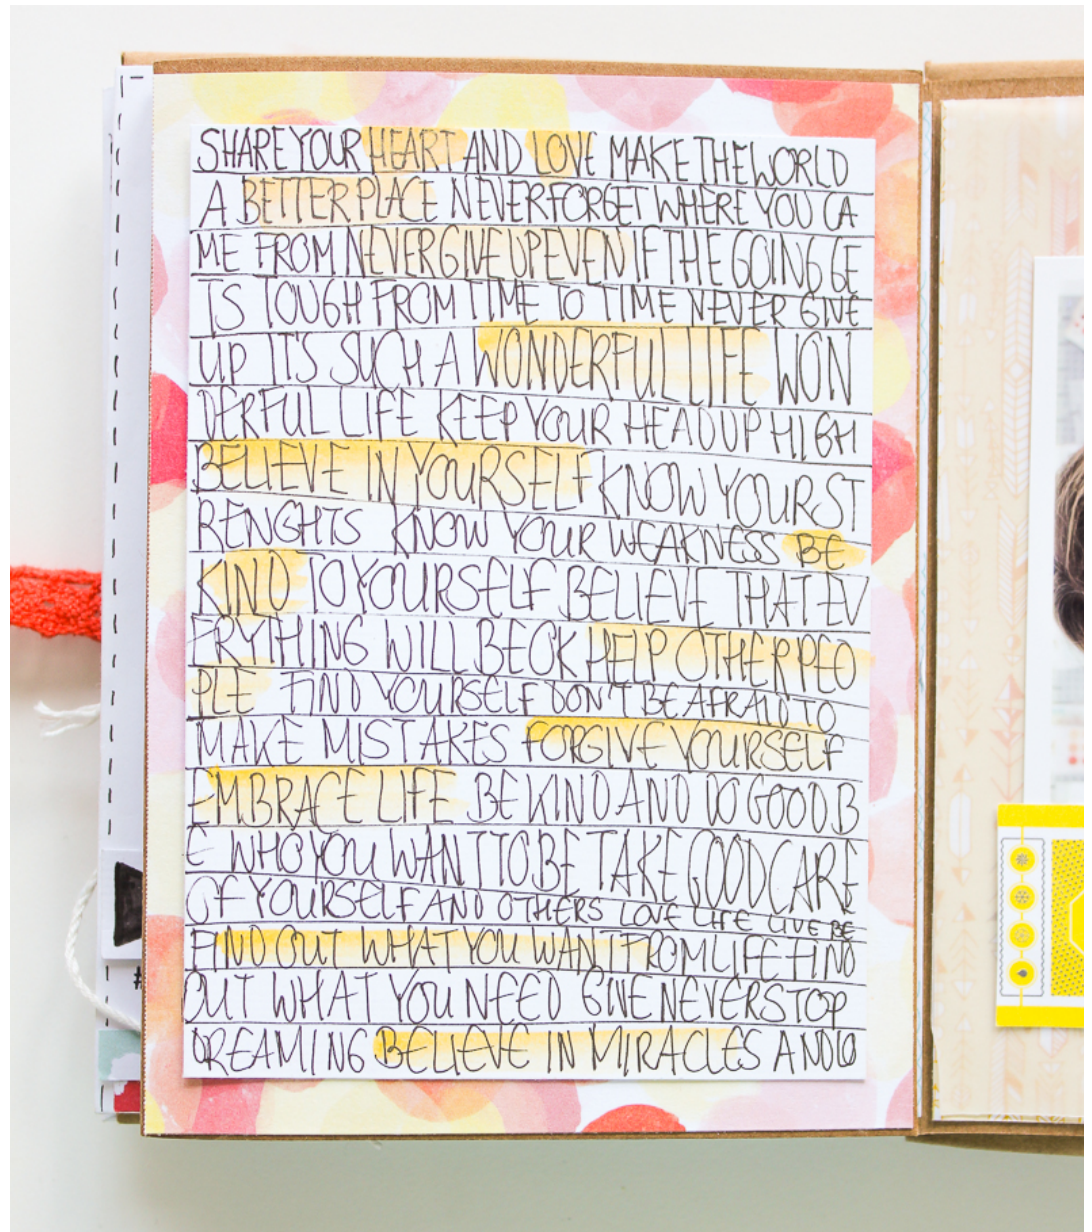

- Cut paper for background
- Cut tags from Patterned Paper and adhere behind photo
- Add a fabric tag behind the photo
- Add spray dots or draw with marker
- Add stamping and handwritten journaling
- Create a title by drawing/ writing on white cardstock and applying water color, cut out and glue on photo
- Add photo to the page

# Page 5

- Cut a piece of patterned paper and glue it on the album page
- Cut a piece of white cardstock which is slightly smaller
- Add non-straight lines and start filling the lines with text
- Use watercolor to highlight certain areas of your text

# Page 6 – second flap

## Page 6 – left side

- Cut patterned paper and adhere to background
- Cut vellum and glue on top of patterned paper, use double sided adhesive
- Cut a triangle and attach behind the photo
- Glue photo on page, using doublesided adhesive, add die cuts and tags
- Stamp onto white cardstock and highlight with watercolor, cut out and adhere to the page
- Draw on white cardstock, add watercolor, cut out and adhere
- Add title and handwritten journaling (only with waterproof pen!)

## Page 6 – middle

- Create flap like seen in the video, add a bag to the flap, if you like
- Cut patterned paper and a tag, attach behind photo
- Write and draw on white cardstock, highlight with watercolor
- Cut out the title and drawn elements and attach to the page

## Page 6 – top middle part

- Now you work on top of the flap!
- Cut a small piece of patterned paper and attach it behind the photo
- Add die cuts
- draw elements on white cardstock, cut out and attach to the page

Add the ribbon around your album, attach the envelope on the backside and 2 patterned papers on the top of your album – as seen in the video.

## Page 6 – bottom part

- Cut patterned paper for the background and apply to album page
- Cut tags, triangle and fabric tag, attach behind and on top of photo
- Draw title on white cardstock and highlight with watercolor
- Add handwritten journaling

# The Cover!

You already attached patterned paper on top of your album, now let's add a bit more!

- Cut patterned paper and place it in the middle section
- Cut vellum, half the size of the patterned paper you just cut and put it on top
- Cut a banner and attach it in the center
- Add star shaped die cut, cut out title from tags
- Add title, handwriting and drawn elements
